OBJECTIVE

As an undergraduate student at the College of Business at the University of Louisville, I am currently pursuing a bachelor's degree in CIS (Computer Information Systems). My past job experiences primarily involved interacting with customers and coding applications for the .Net/Mobile team at LG&E Center. In addition to years of customer service experience, I have utilized computers in multiple jobs and academic settings. Presently, I am interested in finding a CIS-related part-time, co-op, or internship opportunity to build my skills and CIS experience.
